The final pretrial conference and bench trial in this case are currently set for August 21, 2014, and September 3, 2014, respectively. However, a conflict has arisen on the court's calendar for September 3, 2014; a criminal trial is presently scheduled to commence on September 3 that will preempt the trial in this case. To address this scheduling issue and otherwise assess the status of this case, the court finds it necessary to schedule a conference call. Accordingly, the undersigned shall conduct a status conference with the parties in the above-entitled action on August 15, 2014, at 11:00 a.m. by telephone. The court shall initiate the conference call.

Dated this 12th day of August, 2014.
